**???????APPARITION OF THE VIRGIN MARY AT THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children of the world,

Surrender your hearts to God and repent soon, because there is little time left.

Surrender to the Love of God and you will be safe.

Do not let darkness submerge you. Open your hearts and you will find the Light that comes from Infinity.

Dear children, dear children of the world, offer penance, reparation and much prayer, so that more souls may be helped, may be removed from error and may awaken to the Love of My Son, to the path of apostolate and redemption.

Dear children, what I offer to you through the Marian Centers is the most that I can give you, all that the Father has allowed Me. Fill these Marian Centers with people in need of love; fill it with souls thirsting for prayer, and a big part of the world will be able to change.

Diffuse My Marian Centers throughout the world; there is still little attendance, and there is a big need for prayer in the world.

I count on My faithful collaborators, on My celestial armies, who have committed to Me since their consecration, so that souls may come to the Marian Centers and receive all Graces, as you have received.

Dear children, God has written a destiny for this humanity, a destiny that is far from suffering and pain. For this reason it is important, My beloved children, that within the Marian Centers there may exist life, the joy and devotion to serve God.

I need, dear children, that you be more creative, that you summon the flocks of God, the souls scattered throughout the world that do not know the Love of My Immaculate Heart, nor the great Love of God.

Be pilgrims of My Marian Centers so that many more may also be. Bring souls to the Marian Centers by all possible means.

My Marian Centers are consecrated to the wounded world, to a sick humanity which, by means of my Marian Centers, must achieve healing, forgiveness and redemption.

At My Marian Centers I have left the treasures of Heaven, the greatest gifts of the Universe, which are still unknown to souls, because they are intangible and come from the Spirit of God, from the Purpose of His Immaterial Source.

Dear children, My Marian Centers are for all nations of the world, just like the Marian Sanctuaries in the world.

I want you to be the voice and echo of My Message. I want you to be the voice and echo of the Marian Centers of Love, that they be filled with souls in need of the Love of the Father and the Mercy of the Redeemer.

For this to be possible, My children, you must think big rather than small; you must take on great challenges in this final time, because as long as you do not assume them or take them forward, many more souls are lost in the world of the abyss and are taken to the great illusion of this humanity.

Dear children, at the Marian Centers are the gifts that souls need for this time, the keys that they need to find to open new doors toward redemption and forgiveness.

For example, My children, this Marian Center of Aurora has a purpose in the healing of humanity. I need the brothers and sisters who constantly arrive here, I need all of My children of this nation and of this region to act in accordance with this Marian Center; to open your minds and hearts more to welcome the neediest.

You, dear children, are the diffusers of the Marian Centers of Love; as long as this diffusion is not carried forward, many Graces that come from Heaven are stopped, cannot descend and are limited to few souls.

I need, dear children, that you assume this commitment with Me, helping to manifest, at the Marian Centers, their true task. In each one of them I have left a special gift from God, a gift that you must discover through your work, your dedication, your harmony with each one of them. When that comes to happen, souls will live the great changes that they need and will no longer feel alone nor lost, because they will be with God and in God.

I come to give you this gift and this treasure of the Marian Centers, because it is the mission of the children of Mary and of all the prayer groups to make the Marian Centers alive so that they do not quickly die out.

It is your commitment, and also your obligation as My children, to come to the Marian Centers at least bi-weekly; because while the Graces continue to descend, your hearts must be receptacles for them, your lives must be mediators so that those Graces that come from the Universe may be retransmitted to the souls.

If at the Marian Centers there are no souls physically walking and praying, the Graces cannot reach the suffering humanity and even less reach those hearts that suffer from horror, illness and perdition.

May your hearts, your lips and your hands be diffusers of the Marian Centers of Love. Thus, you will help your Celestial Mother so that the Work of Redemption and Mercy carried out by My Beloved Son remains not only at the Marian Centers, but also throughout the world, which must know and be aware, through My Message, that I am here, present among you and summoning humanity so that it will experience its preparation during the end of this time.

My armies of Light must grow, and this will start from the Marian Centers and from the true commitment of all the children of Mary.

Consecration does not end in you; consecration leads you to live a commitment to the Plan of God and in this way you will be fulfilling His Will, just as do all the Angels of the Universe.

Dear children, since this birth of Aurora, since the rebirth of its superior Fire and from its healing flame, we are entering the last time of the awakening of humanity, and this cycle will at some point close.

It will depend on you, beloved children, that this awakening which must arise from the Marian Centers of Love may reach as many souls as possible, all hearts in need, in as many languages as possible.

First, dear children, you must expand your consciousnesses, your hearts, in order to embrace the Work in a planetary way so that more doors to conversion and redemption can be opened in other nations of the world.

Here, with all My maternal Love, in Aurora as at other Marian Centers, I have created the bases for this new stage. It is time for My soldiers of prayer and peace to accompany your Celestial Mother in this new challenge.

Today I come to leave this message, beloved children, because there is still much to be done, there is still much to reciprocate, there is still much responsibility to undertake, for each one of you.

With this Message of preparation, beloved children, today I come to consecrate new Children of Mary, who will represent many more, many more who will be consecrated in the future to the Love of My Immaculate Heart and to the sacred task of living and assuming the Marian Centers; so that the Marian Centers may one day become the true Mirror of God, which must reflect to the world the last time of Mercy, of reconciliation and healing of Souls.

The Marian Centers must be the dwelling place of the simple, of the seekers of the Love of God and of all the lost who cannot find meaning in their lives, nor in their ways.

I truly wish, dear children, that the same spiritual impulse that your souls received from the day of your consecration as children of Mary would echo and expand into more souls of the world that cry out for My Heart and My intercession.

In this way, responding to the pleas of My children of all nations and of the different races of the planet, I come to deliver this mission to you in response to the plea of ??My children of the world, so that My armies of Light, so that the Children of Mary let the special mission of the Marian Centers flourish and go meet the souls of the world, carrying My Message of love, My Message of hope and peace to all creatures.

For that to be possible, beloved children, you must offer yourselves to the Redeemer, as His apostles willing to go to meet the souls of the world; not only on the path of service, prayer or communion, but also, My children, to meet the nations of the world that should receive the spiritual help they so much hope for and that they so much need, in order to have a new opportunity on this path of love and redemption that I offer to you.

It will be in this way, beloved children, that the Marian Centers will be able to expand in the world and will not be limited to the region where they are located, but will rather have their doors open to receive all the pilgrims of the world. I hope this will happen one day. I do not ask you to convince them or convert them, but to receive them with love, to teach them to live prayer and to know that there is a way out of all the chaos of this world, a path that leads them to My Immaculate Heart and from My Immaculate Heart to the Kingdom of God.

Unite as groups and servants, to take on this mission for the Marian Centers, and help the Marian Centers to manifest the requests of the Divine Messengers, and let these be fulfilled so that more spiritual energies and universal principles may descend through them.

For this, My children, it will also be necessary to help in the concretion of all the necessary manifestations that the Marian Centers must have, to help face the end of this time and the final cycle that humanity will live in a short time.

The Marian Centers must be spiritual islands of salvation, so that the most lonely and lost hearts may find relief, peace and hope.

If I, who am your Mother, ask you this today, it is because it is possible to concretize it. There is potential in your hearts, just take the first step, so that the Father's Universe can concretize everything.

The Marian Centers will be the reference for when We are no longer here.

You know, beloved children, that there is a time for Us to be among you, and there is not much of that time left. After ten years of Graces, your hearts are ready to take on the task of the Marian Centers, which the Sacred Hearts of Jesus, Mary and Saint Joseph today entrust to you all.

Here you will find us spiritually because Our Hearts will always be at the Marian Centers to bring relief to souls, healing and redemption to hearts.

Today I am carrying out this consecration of new Children of Mary in a special way, as if this were the first time here, in Aurora, that I consecrated the first children of Mary, who are now part of My Work, who have been strengthened in faith and in prayer, and now go on pilgrimage with Me unconditionally and are dedicated to living the Will of God.

Renewing this principle of consecration that was experienced here many years ago, today I come to renew that vow of consecration, so that those who come to consecrate themselves in the future can live the same impulse to awaken and commit with God in order to establish upon Earth the Thousand Years of Peace.

***Friar Elías del Sagrado Corazón de Jesús:***

*May those who will be consecrated today come here.*

And today we will prepare the hymn of your consecration as if it were the first time, when souls receive a great impulse, to take a great step, as many Children of Mary did in recent years when

they said "yes" to God's Plan.

I would like to listen to the introductory instrumental music of that hymn so as to bless those who will be consecrated today before your Celestial Mother.

Today, I will pray for these children who are consecrated today in the name of all those who have already been consecrated, so that they can revive their commitment, confirm their vows and carry out this special mission that today I entrust to you in the manifestation of the Marian Centers and in their diffusion as spiritual islands of salvation.

Let us place our left hand on our hearts and unite to My Immaculate Heart in this sacred offering that we will make together today for our Celestial Father.

*Most High Lord of the Universe,  
who hears the prayers of Your Servant;  
Most High Father Creator,  
Source of Love and Unity for everything that exists;  
Most High Adonai, Venerable Emanuel, Blessed Abba,  
listen to the prayer of Your Servant at this time,  
so that the hearts of the world  
that will one day consecrate themselves to Me,  
may spread Your Virtues and have all Your Graces descend  
in order that relief for suffering,  
the cure of sickness,  
the healing for souls  
and redemption for the hearts may be established.*

*May all Love, which comes from You,  
today be poured out upon these children who are consecrating themselves;  
so that, like many others, they may be renewed  
in Your Divine Purpose and in Your Infinite Call.  
May the Armies of Light multiply today  
so that more souls in this world may hold the banner of peace,  
which will indicate the Return of Christ.*

*Dear Lord,  
grant Grace to these spirits,  
who prostrate themselves before Your Servant  
to receive Your reparative Love and Your eternal Mercy.*

*Today I renew, in their name,  
the consecration of all the Children of Mary,  
so that, in these times that come,  
My Celestial Mantle of Light and Peace  
will expand throughout all nations of the world,  
because My most ardent desire, Beloved Father,  
is that there may be Children of Mary  
in all the nations of the world.*

*And until that is fulfilled,  
I ask you Lord, to be here,  
near My children,  
to accompany them in this great aspiration.*

*Amen.*

I bless you in the name of the Father, the Son and the Holy Spirit. Amen.

And now that the Father hears the voice of His most simple and persevering children, let us sing this hymn of consecration so that more inner nuclei, more souls in this humanity, may awaken to their consecration in preparation for the Return of Christ.

I thank you, in spite of everything, for responding to My call and I thank all those who are here today and those who will one day be. Amen.

*Song: "Hymn of Consecration of the Children of Mary".*
