DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Retreat your heart in the Presence of your Lord and enter into the living memory of His Passion so that each year you can discover the mysteries of His Love, and learn to love a little more.

Begin to feel with Him, that the night of His surrender is drawing closer. Feel how love and compassion are now beginning to be born within Him, because he knew that His hour was coming.

Feel His gaze upon His companions, emanating compassion and Mercy, understanding and forgiving them, even before they sinned, abandoning the Lord on the road to the Calvary.

Seek this superior Love so that you also may begin to go deeper into the Calvary that the Earth experiences, in the change of times, in the purification of the planet, in the awakening of a greater Love. And from now on begin to forgive the sins committed, not only by you, but above all by your neighbor. Begin to further understand human fragility and place your heart in the mysterious essence that makes you worthy children of God.

The road to the Calvary does not begin with the cross on your back; it begins in the desert and it is often experienced and deepened in spiritual levels before manifesting. Thus, child, from now on open your heart for the awakening of Love, for the cross of these times.

Your Father and Friend,

The Most Chaste Saint Joseph
