DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS TRANSMITTED IN THE MONASTERY OF THE CONFRATERNITY OF THE LORD, GUATAVITA, CUNDINAMARCA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

All the effort that is made, as a sincere offer for humanity, is recognized by the Universe because it knows that this offer is for compensating something that is unbalanced.

At this moment, the planet, and mainly humanity, need beings of sacrifice, beings of renunciation who offer themselves for the weight of the debts generated by the human race not to fall upon the planet and, above all, upon humanity.

To live renunciation or sacrifice at this time means the opportunity of generating miracles and graces, for more consciousnesses to awaken and to also begin to compensate all that is out of universal harmony.

Therefore, My Heart is attentive to the inner offerings, which can be internally given for love, only to your Redeemer.

This is the time to do something for love, for other consciousnesses to leave behind the indifference and ignorance in which they live, knowing that all are brothers and sisters and that it is important that creatures help one another to leave individualism and personal property.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
