DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS TRANSMITTED IN THE MONASTERY OF THE CONFRATERNITY OF THE LORD, GUATAVITA, CUNDINAMARCA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

While in Colombia the natural riches continue to be removed from the depths of Mother Nature, in benefit of those who refer to themselves as first world countries, nature will show itself, because it is something very similar to the human being losing some part of its body. In this way, nature also loses parts, except that it does not scream in pain, although it vastly suffers. But it will show itself.

If Colombia does not prohibit the exploitation of its resources, and does not protect them from the ambition of humankind, the nation will come to know the untamable power that nature holds.

Do not give pearls to swine. The nations that call themselves powerful have impoverished all of South and Central America for centuries and, furthermore, they cause humble nations to become indebted, those that hold the best and most incalculable natural riches in the world and that are to be part of the New Humanity.

The debt of the exploiting countries is great and unknown. Let their inhabitants hold fast to prayer so that the impact and the effects of all that they do outside of the law may be gentle.

Nobody can surpass Creation, because Creation and nature exist to educate and instruct the human being, which is miseducated.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
