WEEKLY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MONASTERY OF THE CONFRATERNITY OF THE LORD, GUATAVITA, CUNDINAMARCA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Today I am grateful for the start of the weekly Rosary for all of South America, but I also remind you of the commitment that each consecrated child of Mary, as well as each member of the Light-Network, has made for this important prayer.

Because prayer will be the spiritual and inner support of the nations, since now is the time of tribulation for everybody. Through this warm and loving prayer, the nations, but especially the peoples, will be in greater harmony and balance.

It would be a joy for Your Heavenly Mother to be able to hear My children of the different nations in each one of the mysteries, those who may be able to represent their nation, their culture and their people in each mystery. May the Celestial Father hear the voice of His different extended tribes throughout South America.

In this inner union, dear children, which you will be able to build among the nations of the Southern Cone, you will allow the streams of chaos and of conflict to dissolve from the minds and the hearts that are greatly influenced to live in opposition and in fight.

May this weekly prayer that begins today experience its expansion, its moment of surrender and of love for My dear people of South America.

I encourage you to be creative for this meeting of prayer; I call upon you to call the Children of Mary, because they committed to be My armies of Light.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
