DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

You can stay more with Me. In this way I will give you companions on the path so that together you may seek in the night the Source that will quench your material thirst, because whoever in truth is with Me, at the least remembers My Presence every day upon their awakening.

In this time of purification and of renunciation I call you to reconsider your vows with Me. Everyone will always have a space of light in My Heart but for My Task to be fulfilled My soldiers must truly have defined themselves and in this way, according to the degree of your surrender, I will call you for greater tasks or for smaller tasks.

In My Christic Plans there does not exist differences or privileges. I only deposit My Intentions upon those who need most to grow in consciousness and in the experience of life.

I Am here in the silence meditating about your lives and about what will come in a little time. I invite you to assume the vows in a humble and simple way. May each one, according to their definition towards Me, place themselves in the level of service that fits them because My Merciful Eyes will always look at you with love and compassion.

The path of discipleship in these times is only for those who may be inspired to die from themselves every day because the true treasures are found at the entrance of the Greater Kingdom. May each one be confirmed, may each soul give Me what in truth they can give Me for this critical time.

I will carefully observe you and in this way you will be encouraged to strengthen your spirits a little more through My Merciful Heart.

Under the Greater Good of God, be blessed.

Thank you for listening to My Sacred Words with attention!

Christ Jesus
