DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM GUATAVITA TO BOGOTÁ, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I return to Colombia with the intention that your spiritual and cultural values may be recognized, not only by the people that dwell here, but also by all those who once, or over the course of the history of humanity, learned about the sacred, which is to be found here.

I do not come back to cause you to re-live a historic past; I come to re-ignite the cultural and spiritual values that made Colombia a special place within the spiritual purpose, because these values are what will allow the dignity and the authenticity of this people to emerge, who like many others were a slave of the conquest of the white man.

Colombia is this Eden of the sacred and of the reverent for humanity, and all that was once experienced of the sacred here, in this current time, will help the rest of the peoples, beyond the Andes, to remind them of the importance of keeping their roots fertile and alive so that nothing nor nobody may cause the pure and the sacred to be lost, which the original peoples lived as a foundation of experience for the New Humanity.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
