DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE RESERVOIR OF GUATAVITA, CUNDINAMARCA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Through the next Pilgrimage for Peace in Colombia, the Spiritual Hierarchy will try to embrace the greatest possible number of humanitarian situations so that, from the spiritual plane, they may be served and a solution may be carried forward on the material plane, in face of the infinite number of causes.

In this context, although the Divine Messengers have cancelled the pilgrimage in the cities of Cucuta and Barranquilla, it does not mean that, through the next Marathon of Divine Mercy and through the meetings of prayer that will succeed it, the Hierarchy will be unable to take care of everything that They planned to assist in these regions of Colombia.

Therefore, the Divine Hierarchy will increase efforts so that the greatest amount of spiritual and concrete situations may be assisted by the Divinity.

In this way, it will be necessary that inner and material support be provided for, so that the more concrete bases of this pilgrimage may be really firm and, as a result, through the spontaneous contribution and the collaboration of everyone, the Hierarchy may count on this foundation, that will be built by the loving help of all.

Thus, the tasks will be broader and the help will be deeper, and not only Colombia will benefit, but also the rest of South America and, from South America, the whole world.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
