DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF MUNICH, GERMANY, TO THE VISIONARY FREI ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children of Mine,

Nothing which is occurring is outside the Will of God.

In this time and at this moment, souls are having the Grace of being able to define their lives for the coming cycle, even though they may not know it.

This is the reason why the Heavenly Father remains once again in deep silence before the entire humanity, especially before the followers of Christ, because after so many Graces received, hearts should already be able to recognize the Will of God for their lives and above all, their paths.

Decisive moments are coming for the lives of souls, when you will be before two paths, yet you must follow only one. I only hope, as a Mother, that it be the path of Christ.

I pray day and night, I beseech for the sake of My children at each new dawn, so that in this time they may make a correct decision, which is not based on human impulses neither on maladjusted emotions.

It is necessary children, to pray more for the souls that are before their great definition, a response that will reverberate on the rest of their existence.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
