DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

My Spirit will give you strength to face the changes and My Heart will protect you from all evil. For this affirm on this path the favored union with My Heart because in spite of the transformations My Presence will fill you and it will encourage you to go ahead.

Even in adverse circumstances do not lower the arms, raise your heart towards the Heights because in this way the Lord will help you. Be always firm, looking to the horizon of Mercy. I Am with you.

Under the Good of God, be blessed.

Thank you for remaining in My Heart!

Christ Jesus
