DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE JOURNEY FROM from Munich, Germany, to Vienna, Austria, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I come to Austria to grant the forgiveness that you need, for the past experienced and that has not yet been solved.

Therefore, I asked with anticipation for a Marathon of prayer to help those who are still spiritual prisoners.

Your Master, through a large door, will move the souls that were participants of the retrograde planes and who changed the destiny of millions of souls forever.

This is the reason for which I come to Austria, and afterwards My beloved Mother will come to spiritually restore all that has happened.

But first, all must be made peaceful and be exorcized through the Ray of Liberation, the one that I will activate in the presence of Mine.

Through the prayer of Mercy, the Lord of Love and of the Universe will liberate the chains of mistakes of those who dragged themselves by their own abysses for decades.

But I will bring My Grace to grant Mercy, and soon, Peace.

I thank you for uniting yourselves with Me in this sacred task.

Who blesses you,

Your Master, Jesus Christ
