DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED in the city of Las Piedras, Canelones, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

In this world and in this humanity, the school that enables you to go through human suffering is one of the greatest tests for souls, since this school represents the overcoming of difficult moments and experiencing greater learnings.

This is the reason why the school of prayer helps and intervenes in the deepest aspects of suffering, reaching the unconscious spaces of the human being in order to uproot that which caused suffering and keeps the soul imprisoned.

Therefore, the prayer from the heart attracts the action of the Laws of Healing and of Redemption.

In these times, in which most of humanity has chosen the school of suffering, it is the moment to act through the power of prayer so that souls may abandon that state of pain and rediscover the path of love and peace.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
