**MESSAGE FOR THE VIGIL PRAYER IN THE CITY OF BARILOCHE, RIO NEGRO, ARGENTINA,
TRANSMITTED BY THE BLESSED VIRGIN MARY TO THE VISIONARY FRIAR ELÍAS**

Dear children of San Carlos de Bariloche:

Praised be Jesus for this time and in your hearts!

With maternal joy today I come to your encounter to awaken in you a profound devotion for the Sacred Heart of Jesus and for the Immaculate Heart of Mary.

My children, for the first time in the history of My Apparitions, this blessed place of God will be graced by the intercession of the Mother of God. For this, I invite to daily prayer all those children who have lost the motivation to pray to the Merciful Lord.

Dear children of the south of Argentina, also here, through your prayer in groups and in families, will be able to bloom faith and love as a flower opens itself to the rays of the sun.

From Heaven I come to your hearts to bring you an important call to conversion, to prayer and to peace. The Father awaits that all the provinces of Argentina renew themselves in faith and in the devotion to My Immaculate Heart.

For this, open your hearts so that the great Voice that comes from Heaven impregnates you, strengthens you and awakens in you the encouragement to forgive and to reconcile yourselves with God the Father.

Dear children, as here in San Carlos de Bariloche you venerate Me with much love, I invite you, as Mother of the Graces, to be bearer of My Peace for this time, in which the accelerated changes make it so that My children confuse the path.

My dear, I beg you to be attentive to the need of praying in your houses, praying for your villages, praying for the whole province and for the whole nation. All souls need urgently to beg forgiveness to God and in this way set out again for the Kingdom of the Father, through the Sacred Heart of My Son.

In Jesus Christ you have the TRUTH for your lives. In Jesus Christ you always find the PATH of return to the Heart of God. In Jesus Christ you will find the real LIFE, the life of the spirit, that will nourish you under the presence of the love of God.

Beloved children, as you will see, My Apparitions now extend themselves all over the world and My message of peace and awakening touches the hearts of all the beings who find themselves in the most distant places on Earth. The times merit doing something for the world, for the presence of Peace and the light of God, and you, through the holy prayer of the heart have the keys to be able to do it.

Dear children of San Carlos de Bariloche and all the brother and sister villages: that for this month of May, consecrated to My Heart, may your hearts remember My arrival at Fátima in Portugal,

where once again My Heart interceded for your world. Keep the Kingdom of Fátima in the heart so that united to Me, we can find the safe path to My Son.

I thank all the prayer groups of Patagonia for having answered My call for Peace!

Thank you, My dear children!

I bless you in the Love of Jesus,

Mary, Mother and Queen of Peace.
