**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF BAD VÖSLAU,
ÁUSTRIA TO THE VISIONARY FREI ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Stay in peace and may your heart be calm, because there will never be anything between you and I that may be shattered or broken.

Unity and love among souls and My Heart are unchangeable because if souls trust in the Mother of God, they trust in the Divine Will.

All the errors committed are a part of a great learning to know how to one day step aside from the path of constant pain and enter into the path of Eternal Love.

Therefore, stay in peace.

Child, peace cannot be dissipated nor changed. Peace leads you to retreat and to have hope in these difficult times of humanity.

Liberate yourself from the past and look, with the eyes of hope, at everything good that happens in life.

God and the Universe know the weakness of humans, but they also know the virtues that one day will be fortresses that will defeat the old human, so that the new being may be born.

So then, be encouraged to keep trusting in the infinite Purpose and offer each moment of service as an opportunity to love, more and more.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
