DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF BAD VÖSLAU, ÁUSTRIA TO THE VISIONARY FREI ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

May the prayer of the heart always open the door between humankind and God so that the Universe may work and manifest through beings.

May the prayer of the heart be the communication between the souls and the Greater Universes, and may they learn about the movement of universal life.

May the prayer of the heart attract to the world much more wisdom so souls learn to live in discernment and in the spirit of reason.

May the prayer of the heart grant internal knowledge to those who pray and about that which they have come to fulfill as their spiritual mission.

May the prayer of the heart manifest the interior truth so that each soul may be recognized as a child of God.

May the prayer from the heart build the Plan of God in humankind and may they be participants of the divine communion with the sublime Spirit.

May the prayer of the heart establish peace within all internal worlds so that peace may be reflected upon earth.

I thank you for responding to My Call!

Who blesses you,

Your Mother Mary, Rose of Peace
