DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE TOMINÉ RESERVOIR, GUATAVITA, CUNDINAMARCA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

When the Hierarchy needs to make a decision, They must measure the consequences and what beneficial impact that it will have on the Universal Plan; because what is most important is that any decision must always be filled with wisdom and with discernment.

In all this experience, the decisions may broadly modify the destiny of a consciousness, of a situation or even of the Universe itself.

It is essential that within the decision that is taken, the sacrifice or the sacrifices that will be assumed are also kept in mind so that an inner purpose may be accomplished, assuming the consequences and the possible results.

Not all consciousnesses are ready to experience a decision or a moment that will modify their parameters or their own meaning and reality of what this represents for evolution.

With this, I want to tell you that the moment will come when the Spiritual Hierarchy itself must sacrifice or give the best It has for the fulfillment of the Purpose, since it will be necessary that certain spaces of manifestation remain ignited.

This action could take place at any moment because the need for the fulfillment of the aspirations of the Infinite is great.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
