**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Between you and I, a thread of love.

In your prayer together with Me, the call for peace. In your heart, My beloved Kingdom.

Between the Earth and Heaven, My Immaculate Heart. A sublime voice calls for all its children.

A hope of igniting again the Light in hearts.

I call your heart so that your soul may respond. I call your life to prayer. Consecrate your inner world to My Heart; I wait for you always in prayer. I want to have with all My children an inner communion that may transcend barriers and may dissolve loneliness. I love all My children who day by day consecrate themselves, because from them will emerge the bridge of salvation to other children who are distant from Me.

Therefore, My little ones, courage for life and prayer for the soul; in this way you will form a heart abnegated to the Divine Call.

Gathering the flocks by means of the Light of My Heart, all are led to the feet of Christ. He awaits you for the surrender. He awaits you so that you may love others. He awaits you during the night in prayer and in vigil. Each soul must extend its arms to receive Divine Mercy. Each trusting heart will be able to see the light of Christ in the path when the pure soul surrenders to His Presence of Love. Each heart must imitate Him so that in this way the Light in the heart may grow. He loves you deeply. He counts on the giving of your hearts. All hearts are asked for one more step in life.

Dear children, this is a lesson of surrender before the Ministry of Our Lord. For this reason, My little ones, we are at the time of living prayer as a living nourishment for life. It must be the daily strength for your hearts.

Little sheep, the Lord calls His children to a prayer that may restore the world.

Who loves you and adores you,

Mary, Mother of the Divine Conception of the Trinity
