DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

In the hour of the Divine Mercy My Heart descends to the Earth and illuminates it with infinite repairing Graces for all of the souls.

But that sinful and offended soul that approaches to My Source of wonders during this hour of Infinite Mercy will be able to recognize in My Consciousness the Divine Love that heals and redeems all of the lives upon the Earth.

For this, during the hour of Mercy give Me your miseries, those that My Heart knows from the beginning so that in this way, by means of My Mercy, they may be liberated and redeemed.

I Am the Light for the world and for the hearts. That one who is directed to Me will find an answer and in this way they will unite their heart with Mine, and together we will get to know in depth the celestial universe and, consequently, the Source of My Mercies.

But there must exist in you an absolute trust in My Presence and in My Redeeming Work. It must be fulfilled in those who in truth may always be merciful with their familiars.

The Source of Piety hopes to rescue you from perdition and from the spiritual deviation that the enemy propagates as idea and thought. The one who really seeks the answer about the subjects of life, I tell you that they will find it in the Unfathomable Source of My Divine Mercy.

I want that your souls make the decision to be rays of My Mercy for the entire world. For this to happen your trust in My Being will be enough and to not fear that I will remove what is old and arid in you because I will always quench your inner thirst.

Under the Grace of the Father, be blessed.

Thank you for living in My Most Sacred Heart!

Merciful Christ Jesus
