DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN CALI, VALLE DEL CAUCA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today I am with all the Inner Fraternity present in the Himalayas so that together we can transmit a message of healing and peace to the world, from the most elevated Sites of these sacred mountains.

We are gathered as one heart that pulses to the beat of the end of times, and we feel and see the great spiritual and material needs and lack of humanity.

For all this, we pray, and through our mantric keys, we ask for the assistance of Love-Wisdom as well as of the Sacred Divine Spirit so that all consciousnesses, situations or terrestrial species may be filled with compassion and light in these times of experiences and of great planetary traumas.

We unite with all consciousnesses that profess their faith in the Heights and in goodwill, and we adhere to all of them as one heart that seeks to vibrate in cosmic melodies.

We inwardly embrace the guiding consciousness of the planet and all that this consciousness holds so that, as much as possible, it may be transmuted and freed, that hearts may have the happiness of feeling love rather than contempt or conflict.

Thus, from the heights of the Himalayas, we emit our positive thought to all the world, so that all beings incarnated today upon the surface of the Earth may achieve the so hoped for elevation of consciousness and thus, the Greater Purpose may be established, in spite of the final events.

As Masters and Watchers of humanity, we aspire that at least a minority may achieve Our ardent desire of being filled by the Love of God.

I thank you, in the name of the Inner Fraternity, for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
