DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN CALI, VALLE DEL CAUCA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

While South America experiences the results of a crisis, generated by certain nations, the peoples that are put into conflict and in dissociation are losing the values of cooperation and solidarity, as each day the people become more disappointed and lose confidence in those who lead them.

Thus, to be free from this situation and from this chaos, it is necessary to be in prayer and in attunement, so that the consciousness and all that is around it may be elevated into another vibration and into another state.

At this moment, this initiative of elevating the consciousness will withdraw the being from that chain of dissociations and of discord; this is why it is important not to enter, even in thought, into that battlefield that was generated only to take advantage of the situation and to exercise abuse of power.

This moment will demand greater elevation of the consciousness and of all the being so that a sufficiently elevated protection may be established.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
