**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

May the Infinite Love of Christ be present in your hearts.

Today, My little ones, you shall know that I appear daily in the heart of Casa Redención.* For this reason, My dear ones, you must rejoice your hearts with My Maternal Presence.

Permit that each daily announcement be a renewal for the feelings and for the soul; thus, My little ones, you will find the meaning of My words and how far My Merciful Love wants to go.

Each apparition of My Heart represents for Our Father the salvation of souls. My Love is delivering many Graces to many souls that are receiving one more opportunity in life to reconcile themselves with God.

For this reason, My dear children, I come daily from the Heavens to announce Myself to your hearts, because we are now in the Hour of the Peace and of the Restoration of the Heart. Unite to Me in prayer; commune daily with the Most Holy Heart of My Son. Open your arms and your hearts to receive Him.

He, in His Glory, waits to radiate to you the Prodigious Love of His Mercy. Find rest in the arms of the Shepherd of souls; follow the steps that the burning Heart of Christ will be indicating to you. Above all, trust in the powerful force of His Restoring Love.

Let, My little ones, your souls express themselves in this final time so that your hearts may receive the gifts and the talents that will assist many souls. Seek refuge in My Immaculate Heart so that you may thus enter My Temple of Adoration.

When your hearts love the Creator with trust, I will be able to say that your souls will be consecrated to God.

Let us pray for all the needs, but even more for an urgent need that exists in souls, which is the lack of Divine and Merciful Love.

I am with you daily. Who loves you eternally,

Mary, Mother of the Divine Conception of the Trinity
