WEEKLY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN MENDOZA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The Cross and the Sword

It is in this time that there are children of Mine who fight with the cross and others that fight with swords.

There are children that carry the cross of the world, while other children fight with their swords, generating world chaos.

Those children who fight with swords will receive the blow of the swords. Those who fight with the Cross, with intelligence, will receive the Grace of Peace.

Evil tries to awaken within the hearts of the innocent ones and lead them into the rebellion and protests of these times.

There is indignation in all that there is to see and experience in the nations of the world, but My Son has told you once that the one who fights by the sword will be wounded by the sword.

There must not be opposition or confrontation in these times. My enemy wants to generate the most severe and saddest war in the heart of humanity, but you must have the prayer of the heart as a defense weapon so that the light of Grace may descend upon all events.

This is the time in which everyone will be able to build their own strength based upon the values of faith, solidarity and good; of ones own contact with the Divine Laws, beyond the laws that human beings impose, which are not clean laws.

I call you to fight by means of the Cross of My Son, so that His Blood that was shed may have the value and the power that everyone should give to it. A Blood that was shed to justify your errors, the errors of all generations, all cultures, all religions, the errors of all times.

If you value the powerful Cross of Christ, the human consciousness will allow for its expansion and will, someday, recognize that the way out is not in the fight, the way out to find true justice, because the justice of the Earth is also corrupt due to the lack of transparency and compassion.

There is no other way than the one that My Son has taught you, even while seeing, day by day, the conflicts of the nations and the events that are created, always by the same ones, in order to disrupt the planetary psyche and the emotional plane of the people.

This is the time for each one to live the Cross, the Cross of spiritual and material freedom that Christ attained for each one of His companions and for each one of His enemies.

Receive this Cross instead of the swords so that the essence of peace and love may build, among beings, that which up to now was inwardly destroyed, due to the absence of compassion, understanding and consideration.

The Cross will no longer be heavy for you. The Cross of Christ will bring you the Light of truth and the meeting with universal Peace, a Peace that will awaken confidence in you and, above all, awaken wisdom for you to be able to act according to the principles of Christic Love, a Love that in this time will protect and conduct you to the Promised Land.

I thank you for responding to My call, to the call for praying for Peace in the Nations.

Who blesses you,

Your Mother Mary, Rose of Peace
