**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

With joy and bliss in the name of all the children of the world, let us pray for the salvation of the little souls that need Mercy and Love.

Today I invite you to prepare with Me the inner arrival of Christ to the Earth. From the Heavens, the coming of the Holy Spirit will be pouring Graces to the world in this final time of humanity. I invite you, My little hearts, to prepare My coming on the 24th of December. I call you to prayer with the purpose that your hearts may remember My pilgrimage to the ancient Bethlehem.

May your prayers and hearts be converted into the Great Guiding Star during the night so that My Heart may illuminate the world with peace. For this, My little ones, I summon you to prepare the heart during the days that precede the 24th of December. Prior to the arrival of Christ, the Immaculate Heart of the Lady of the Divine Conception will arrive to be before your lives once more.

I will bring the Holy Spirit with the mission of renewing the life of many hearts. I only ask, for this merit and for this special Grace of Forgiveness and Redemption, that you, My dear children, may raise the voice of prayer to the Heavens so that the Lord God may respond to the call of all of His children.

The Bird of the Sun, ignited by the Holy Spirit, will alight Its gaze of love and peace upon the hearts that open, in order to thus renew the present life. I want, My little ones, that your hearts prepare themselves for this advent on the 23rd of December, by means of the vigil of the eve.

There, your beings in prayer will meet Me and, in the bliss of receiving Me in your hearts, you will be traveling the path towards the rebirth and return of Christ, as it was in the manger of Bethlehem. It will be necessary that your hearts prepare themselves so that the other children may receive the Grace that My Immaculate Heart will radiate to many lives.

I invite all My children, those who will be in their homes with their families, to the reconciliation and the forgiveness of all the faults that are committed against the Heart of God. For this reason, My little ones, the exercise of reconciliation must be emanated first within your families so that all the hearts that still do not respond to My call may receive the Grace of the Holy Spirit.

I am preparing souls and hearts for constant prayer. The Lord needs to pour His Mercy over the evil of the world. Thus your hearts, in the vigil of the eve, will await the arrival of the Lady Clothed with the Sun, of the Virgin Mother of the Divine Conception of the Trinity, on the 24th of December. Celebrate the presence of the Kingdom of Peace in your lives.

The world awaits its redemption. Humanity must reconcile itself with God to be able to return to the Kingdom in the Heart of the Lord.

Who loves you eternally,

Mary, Mother of the Divine Conception of the Trinity
