**DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN MENDOZA, ARGENTINA,
TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Today My pain for humanity converts into Divine Mercy, and I radiate the Rays of My Heart to the whole world.

On this special day, after the adorers of My Eucharistic Body sincerely offered Me their spiritual union with Me; it was like feeling a balm for the thirst I once had on the Cross, a thirst not understood nor known. That ancient and deep thirst for lost souls was quenched by the adoration of My companions.

That special moment was when your Redeemer, for an instant, found the inner spring of good souls.

For this reason, today I was able to spiritually help South America, the Promised Land, so that its peoples and nations could perceive that they have distanced themselves from the Love of God and that, in the struggles and conflicts, they will not achieve the freedom that souls seek for so much.

But at the most acute moment, do not fight with swords; withdraw into My kind Heart so that you may feel the peace and trust of being upon the path to redemption; in this way, I will always renew you and fill you with My spiritual gifts and virtues.

Thank you all who, with sincerity and love, adored My flagellated Heart, because today I also was inwardly reborn and I can say to you again: "I make all things new."

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
