

The New Beatitudes of Christ Jesus

In the daily Message of August 16, 2013, Our Lord speaks about His Beatitudes:

"Dear flocks:

I rejoice Myself in heart and soul when I see, before My Presence, those who feel motivated, through Me, to sustain the fire of ardent transformation. In this way, My Heart truly congregates those who are willing to follow the path of Christification, a path full of challenges and of constant tests for everyday life.

For this reason, I deposit My Beatitudes in the simple, humble and obedient hearts, I deposit My light in those who need it in this time to achieve the path of sanctification and of eternal peace. In this way I permit that My Kingship be established upon the souls that are most abandoned to the world, to instead abandon themselves with trust to My Merciful Heart.

In this time, I leave for the souls the greatness of all My Being, the constant Grace that will heal the wounds and open new doors for those who only say "yes" to Me. But remember that My Servers will suffer for their fellow beings in this cycle, they will suffer and they will give testimony of life for those who have turned their faces away from Me to see the things of the world.

For this reason, I need the effort and the surrender of all of the souls that may feel motivated, for this humanity, to live the sacrifices that many saints have offered for the world to continue on this universal orbit".

On February 15, 2013, Our Master, transmitted His New Beatitudes:
