**SPECIAL MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA**

THIRD DAY - To build within your heart an unshakable fortress of union with God and complete Faith in His Truth, you shall pray the third prayer. In the face of any obstacle against the works of the Creator, you shall pronounce the words of the prayer firmly and with Faith in the Will of God.

By the Power and Infinite Grace  
of the Most Pure Heart of Saint Joseph,  
may all obstacles that  
do not permit the fulfillment  
of the works of God be dissolved.  
Saint Joseph,  
Most Chaste worker of God,  
manifest the Divine Will today.  
Amen.

The greatest secret of the worker of God is the strength in the Truth of the manifestation of the Creator. All that is a work for God, belongs to Him and by His Glory must be manifested.

Trust in the powerful ray of the Lord that through His Spirit can manifest the unthinkable and the impossible for the human minds.

When We refer to the works of God, they are not only physical works but also and above all, spiritual works. To construct in the heart an unshakable fortress of union with God and the full Faith in His Truth you shall pray the third prayer. In face of any obstacle against the works of the Creator, you shall pronounce it firmly on the word and with Faith in the Will of God.

Count on My intercession and together with Me be intercessors before God so that all the work, known or not known by our consciousness, and that is born for the Glory of God, may be able to manifest itself.

In this way, praying for each other, even for those who you do not know, you will discover that the work of the Creator is a Single and Great Work of Love to be manifested in the Universe.

May, with the aid of the Holy Spirit of God, the obstacles be dissolved and the Divine Works be manifested.

I accompany you with Love.  
Persistence and perseverance for your hearts.

Saint Joseph, the Most Chaste worker of God.
