DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN PUNTA COLORADA, PIRIÁPOLIS, MALDONADO, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

It is through effort and persistence that the warrior of the heart is built, who is capable of further overcoming their own difficulties and miseries, every day, and, above all, continuing onward out of love for God and His Plan.

In this way, the new apostles emerge, the apostles of service and of a constant willingness to build all that which the Hierarchy needs and aspires for, for the different phases of the Plan.

It is in this effort and persistence that God relieves the oppressed heart of the server and has them feel, as many times as necessary, that they are fulfilling His Will rather than their own.

To reach this moment, only effort and persistence bring to awareness the possibility to always participate in the new, in the impulses that come from the Universe Itself, and that bring to consciousness an expression of humility and of service to others.

In all of this, I contemplate My apostles, because your errors are errors, but the triumphs are victories that you can give Me with your constant transformation.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
