DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The rain that falls from the sky today is the crying of the angels, upon seeing the five thorns of pain in the Heart of their Master, caused by the religious life and by humanity.

So that the Heart of your Lord may be alleviated, today I come to give you the "Rosary of the Five Thorns Nailed in the Heart of Jesus", so that you may pray it for all those who are ungrateful and indifferent after having received from Me the celestial treasures, which were wasted and not valued.

I give you this rosary, so that you may pray it as many days as possible, so that the Eternal Father may see the appeals of His good children for the greatest sinners and so that the five thorns of pain may be removed from the Heart of your Master.

Each time an indifferent soul commits an action against the Law and the Universe, the thorns are nailed even further into the Heart of the Redeemer.

If this prayer is prayed before the Blessed Sacrament, the merits it will generate will benefit the rescue of some deep nucleus of souls that are indifferent, so that they may have an opportunity in the next world.

If this prayer is prayed within the families of the Light-Rosaries, the pilgrim devotees will heal the punished Heart of Jesus with their voices, and many Graces will be granted to faithful hearts.

Now I will teach you the "Rosary of the Five Thorns Nailed in the Heart of Jesus."
