**SPECIAL MESSAGE OF SAINT JOSEPH, TRANSMITTED AT THE MARIAN CENTER OF AURORA,
TO THE VISIONARY SISTER LUCÍA**

My dears, today I say to you that it only depends on the intensity of the clamor of your hearts so that the Messengers of God may be able enter with more depth in your hearts.

The more Love and truth you place in the words of prayer that you pronounce to the Celestial Universe, with more depth Those who are sent by God will be able to act, and in the more deep and hidden places of your consciences will the Redeeming Light of the Celestial Father be able to arrive.

Trust in truth that which I say to you today, that only the true and intimate clamor, lifted to God through the heart, opens the doors so that His Light enters not only in your lives, but in all the situations that need Light, so that the Will of God flows, and the more you expand this Love made word, the more actuality it will have in all of the planet.

To arrive to the Universe of God, you need to cross many doors and overcome innumerable obstacles, and prayer is like a pure fluid that passes with deep Peace, as a soft key that opens all the doors, as an aroma of Love that crosses the Universes, which nothing can detain, and that has as its direction the Most Holy feet of the Creator.

On this day of deepening your own contact with the Universe of prayer, you shall ask God for His intercession by saying:

Celestial Father,
who has sent Saint Joseph as our Instructor and Shepherd,
under the intercession of the Most Chaste Heart,
permit that our word be pure
like the most gentle aroma of a flower
and as truthful as the deepest feeling of our hearts,
thus, opening all the doors
that lead us to Your Celestial Universe.

Amen.

By My intercession and Love, walk with Peace.

Saint Joseph, Most Chaste server of God.
