DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

The soul that vigils in prayer will be in the Kingdom of My Heart.

Dear children,

Especially today let us prepare the ministry of My coming to your hearts on the 12th and 13th of this month. Let us sow in the hearts the message of the Good News, because in them My call will spring again as a fountain.

I wait for you today as I do every day, permeated by the Light of reparative prayer.

My little ones, each Apparition and each encounter with your hearts means a unique moment of rescue of souls that are forgotten in desperation and in suffering. For this reason, My dear ones, I count on your prayers so that they may fill the Earth with peace, and open the Heavens where the Most Beloved and Merciful Redeemer of all the creatures is to be found.

On the 12th and 13th of this month, allow My Maternal Love to permeate you deeply so that you may recognize in this way My universal presence. Especially, My dear ones, allow yourselves to feel in your hearts the victorious coming of My Celestial Light.

Reunited in prayer and in peace, I shall find you, listening from the Heavens to the call of all My children. I trust that each one of your little hearts will accompany the immaculate triumph of My Heart.

Who adores you in the Glorified Christ,

Mary, Mother of the Divine Conception of the Trinity
