MESSAGE FOR THE PRAYER VIGIL IN THE CITY OF VICTORIA, ESPIRITO SANTO, BRAZIL, TRANSMITTED BY THE MOST HOLY AND IMMACULATE VIRGIN MARY TO THE VISIONARY SISTER LUCÍA

My children,

By means of My presence it is time that all the past of your lives may be redeemed, and that all the faults that, as humanity, you have committed over the centuries, may be forgiven.

My presence in this place has a spiritual reason of Redemption and of Liberation, so that the souls may return to the Kingdom of the Creator and the spirits may live redeemed in their celestial origin.

My Heart traverses the world, bringing the Peace that the souls so much need, because as you may see in each one of your lives, Peace almost does not exist in the world and, for lack of Peace, Love among creatures dims day by day.

I see from Heaven My little children lost in the modernities of the world, and their little souls submersed in illusions that, little by little, separate them from God and from His Celestial Kingdom.

For this I come to unite that which is separated; I come to rescue the Love that must exist among creatures, and I come to bring Light and relief to all the suffering that sleeps in the history of the nations.

My children, much is there in the world to be forgiven, to be liberated and redeemed by the Most Holy and fathomless Mercy of My Son, but He alone can do nothing. It is necessary that humanity, represented by each one of your hearts, knows how to say yes to this Mercy.

For this today, dear Children of My Heart, open yourselves to receive My Heart. Unite yourselves one to the other to sow Peace, so that there is in the world a place more of Peace, that may radiate itself to all the nations that still have not been opened to My Presence and that are lost in a sea of endless suffering.

Come to Me through your prayers and the most pure Love of your hearts. Remind yourselves of when you were children and the pure devotion that you kept for the Immaculate Heart. With this same purity and simplicity be today before My presence; because if you are simple before God, He may show you many secrets from the Celestial Kingdom, that only are shown to the eyes that are opened with purity, and to the hearts that are encouraged with simplicity. One of these mysteries is My Presence in the world.

Do not fear approaching My Heart. That My Presence may not surprise you. How can a Mother abandon Her children? A good Mother returns from time to time, from centuries to centuries and, tireless, begs before God for Her little children, even for those who do not believe in Her Presence.

This Am I, I Am Mary, Your Mother and Queen of Peace.

I thank you for answering to My Call, and for coming to the encounter of My Heart.

I wait for you in prayer,

Mary, Mother and Queen of Peace
