### WEEKLY MESSAGE RECEIVED IN THE MARIAN CENTER OF THE HOLY SPIRIT, CÓRDOBA, ARGENTINA, TRANSMITTED BY THE MOST HOLY QUEEN OF PEACE AND MOTHER OF THE HOLY SPIRIT TO THE VISIONARY SISTER LUCÍA

Dear children of My Immaculate Heart:

Today I ask you to come to My arms, so that all the fear and all doubt may be dissipated from your little hearts.

Today I say to you that these are times to live in the Faith of the heart, and to be confirmed day by day in adhesion to My Plan of Love.

If today peace is lacking in your heart, it is because you have forgotten to enter into My mantle and to seek My help in the situations of life.

My beloveds, My presence in the world comes to bring to your lives other Laws so that you may live in this world as a new humanity. But so that you may enter into these Celestial Laws that descend to the world by means of My Love, you must count on My presence and on the Will of God, that I breath into your heart.

If your little hearts are darkened today amidst doubts, I say to you, My beloveds, that you must recognize that you are taking into account the Graces that I bring to you.

Call for My presence, talk with Me, in the depth of your hearts, as a good child seeks the support of its mother, so that I can guide your lives.

When any question arises in your hearts, be it material or spiritual, come to Me and ask Me how to act. My immaterial Power will touch your consciences and under the agency of the Spirit of God I will give you wisdom to act.

My little ones, these are times of definition, of consecration, and of strength. This is the moment for the souls to dive into the Superior Will, so that they may perceive how little are their wills.

My beloveds, count on the Marian Centers, count on My presence in each one of My Marian houses, because there I have opened a door that will link you directly to My Kingdom of Peace, and always when you are in need, knock on this door, so that I will open it to you and will I take you in My arms, dissolving all the pain, suffering, doubt and fear, and I will construct the strength, that which you will use to help the ones who are lost and that have not found God in their lives.

My beloveds, today I consecrate not just this House, but also all the hearts here present, so that they may become My faithful soldiers of prayer, and that they may bring My Peace to the world.

That the Light of the Holy Spirit shines today in your essences, and gives you the gift to Love and to perceive the Heart of God in each pilgrim that knocks on this door.

Receive all who may arrive to this place and be My arms over the Earth.

I love you and will love you always.

Mary, Mother and Queen of Peace.
