WEEKLY MESSAGE RECEIVED IN THE MARIAN CENTER OF THE HOLY SPIRIT, CÓRDOBA, ARGENTINA, TRANSMITTED BY THE HOLY MOTHER OF GOD AND MESSENGER OF THE HOLY SPIRIT TO MOTHER SHIMANI

Beloved Children blessed by the Holy Spirit,

Today I come to this sacred place to pour the Blessings that God the Father has had for this place since a long time.

In loving unction, today I touch each one of your heads and I place upon them the seal of God, a seal that you must take care of, that you must protect and that you must carry from now on as a part of humanity that has said Yes to the Plan of God for this time.

This Plan will bring once again the Redeemer to this world. He will come in the search for His Companions, those who carry the seal of God in their foreheads. Those who will accompany Him in this Second Coming of His and who with their spirit of abnegation and mercy will help those who have not been able to take the step towards the Eternal Father.

My beloved Children, also children of the Holy Trinity,

Today I want to reveal to you a mystery that has been kept in your heart since the origin of this race and that, from being kept in a place which humanity has not accessed for so long, you have not been able to approach.

Uniting Myself today to the loving instruction left by the Most Beloved and Most Chaste Saint Joseph I want to reveal to you that in the depths of your inner worlds is kept a treasure not discovered yet, a treasure that We, as the Sacred Family, lived from the beginning of our lives.

This treasure is the seed that the Creator sowed in each creature of the universe, the seed of the Obedience of the Heart.

This seed guards a secret that will be revealed to all of those who may encourage themselves to say Yes to the Will of God and who may choose for their lives the real freedom. That which will free you from yourselves and from the laws of matter to enter into other laws, unknown to human beings who fight permanently for their independence failing thus to accept the true freedom, that of being a Son of God and of resting in His Heart.

This seal that My Maternal Love activates today will help to all of those who may want to give the great Yes and may be encouraged to cross the threshold of the last door of your heart, there where the Heart of Gods lives.

Today the Holy Spirit is among you, today in this place reigns the Peace of the Holy Trinity and the Light of My Son, Christ Jesus.

I wait for you on the day of tomorrow to celebrate together with the Kingdom of Heaven the Blessed Graces upon this place and upon this Nation.

Stay in My Peace and in the Light of the Spirit of God.

I love you and I bless you always,

Mary, Mother and Messenger of the Holy Spirit
