MESSAGE FOR THE SPECIAL APPARITION IN THE MARIAN CENTER OF THE HOLY SPIRIT, CORDOBA, ARGENTINA, TRANSMITTED BY THE MOST HOLY MOTHER MARY, QUEEN OF THE HOLY SPIRIT TO THE VISIONARY FRIAR ELÍAS

On this day of Glory I will come from Heaven with a simple but loving purpose: that you may reach the Essence of My Peace, because the world as a whole is losing the innocence that God gave them from the beginning.

For this today and for this time of great changes, My Maternal Heart intercedes day and night, so that by means of the Prayer Vigil of My Heart, My children may receive the infinite Grace of reconciling themselves with God.

When the world is neither pure nor innocent, it awakens in the minds of humanity the need for conflict and love fades away as a breeze of wind, and in this way the enemy stimulates the heart of My children to create wars and divisions.

For this My Merciful Ray descends upon the world, only when the soul is willing to exercise the simple prayer of the heart. The daily prayer, constant and loving, will be your shield against all evil that wants to tempt you or conduct you to less luminous decisions.

My Great Universal Star, that which shines in the solar firmament of the Cosmos, is the one that will light up humanity, when it must take the great step towards the Heart of God Most High.

To this end, My Maternity, which is unending for you, will awaken the inner purity and the absolute trust that in God the Father everything is perfect. I want to bring you to know the Universal Love, the Love that My Beloved Son planted once in the essence of all those who heard His Word of Life.

I invite you on this glorified day to walk by My side in prayer and in faith; may your faith for Me be strong, that you may come with your voices and singing to My Greater Kingdom.

Today the Holy Spirit consecrates the Marian Center of the Holy Spirit, and in this way the doors of the Heavens open themselves so that the Sacred Heart of God may be present among the most humble and simple.

Dear children, know that My Path of Peace will always be your path and your aspiration of living forever in Christ, the Lord of Mercy.

Today open your arms and permit that your heart beats in the rhythm of My Marian Love, because at the end of everything My Immaculate Heart will triumph by means of those who say to me:

Yes, Come Lady of the Light!

I thank all the children of Argentina, of Brazil, and of the entire world for having answered to My call!

Who loves you and blesses you always in Christ,

Mary, Queen of the Holy Spirit
