WEEKLY MESSAGE OF MARY, GUARDIAN OF THE SACRED ADORATION, TRANSMITTED IN THE NUCLEUS OF FIGUEIRA IN SÃO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS

Dear children,

Saturdays are considered by the Heavens as days of profound and merciful adoration to the Eucharistic Body of Christ.

For centuries I have been asking for the adoration of the Blessed Sacrament of the Eucharist, due to the great need of balance and spiritual harmony in the entire world. My Son has asked Me to repeat and diffuse through the four corners of the Earth this true need of His Sacred Heart.

Jesus expects that He will also be venerated and loved in the adoration to His Mystical and Glorified Body, because the days of Saturday, in the entire world, have been converted into a portal of absolute perdition for the souls of the Earth through the actions of sin, of customs, of popular festivities and of the innocent death of youths and women.

My Son wants at least a part of this humanity to adore Him with heart and soul. Even though this spiritual exercise already exists among many adorers of My Son, Heaven needs this action of the adoration of Jesus in the Blessed Sacrament to be real and sincere.

The Lord only asks you that by means of the adoration you may be healed and thus may be converted the plans that the enemy sows in many souls, which are separated from the Heart of Jesus. For this reason, today My Immaculate Heart invites you to assume this path of reparation and redemption by means of the adoration.

The Lord needs that His Mystical Body be more important for you spirits than the realities that the media diffuse.

In the adoration of the Living Christ in the Eucharist is found the key that will help you to keep mental and emotional balance for this end of time. Christ wishes to remove from suffering many of My children that Saturday after Saturday condemn themselves and that above all lose the inner strengths of their hearts.

By responding to this call, you will receive wisdom and, as the Holy Angel of Peace has said, you will adore for those who do not adore, do not love and nor seek God.

Dear children, in this way you will be able to see that the times are urgent and that your refuge will always be the Beloved Heart of My Son.

I thank you for responding to My call!

May Peace and Good guide you.

Your Mother Mary, Guardian of the Sacred Adoration
