DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

There is no one else like Me who can feel, see and understand what it means to lose an apostle, a warrior or a friend.

For this reason, with My back, I bore the heavy wood of the Cross, so that all My friends, who were few, could receive an opportunity.

Beyond the martyrdoms, the transmutations or even the humiliations and sufferings endured by your Lord, none of that was similar to the anguish that I felt on the Cross when My companions abandoned Me. Nobody could explain that or compare it.

In this same way, I feel the loss or the abandonment due to all those that I have called to My path and that, for some reason, decided to move away from Me.

Within My Heart, I carry all these souls, beyond the pain that is caused Me and that which your Master experiences in silence, all the time.

Could all this be better?

Yes, it could be, and it could bring about wonderful results, but the flesh of humankind is weak. I know this because I incarnated in this world to be able to understand and encompass the human condition.

It is in these moments, in which a sort of emptiness can be seen and makes itself felt in My Heart because of the loss of some of My dear friends, that, in solitude, I focus My gaze upon Heaven to pray to the Celestial Father and, in that intimate conversation, I ask for each one of you, so that His Will may be done as He did it with Me.

My enemy is carrying those whom I most want by My side. But that only happens through free choice. At this point, I can only observe what happens.

In My Heart, I carry all My friends, those who are with Me today and also those who today no longer are.

I thank you for keeping My Words in your Hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
