DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My heart is bathed in injustices, but it is filled by the love of those who continue onward.

My Heart feels the approach of Divine Justice, but the majority of humanity does not perceive it.

Justice is descending and Mercy is yielding its place so that Universal Justice may begin to take action.

Souls are not aware of what Justice means. They often play with it like a child with a toy. With this comparison, understand all that people are doing with their lives, how capable they are of completely losing the meaning of law and of loyalty.

For this reason, My Heart also transmutes all that My Father feels and the unexpected consequences of what souls could experience.

This is the time to perceive reality and to assume the end of times. It is a moment to begin to see how Justice acts through the attraction that souls generate toward themselves.

When Justice acts, it places everything in its place and makes of each stage a learning experience.

It is no longer time to generate conditions in which Justice will have to severely correct what in truth and with intelligence should be corrected by yourselves.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
