DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The void left within Me, by those who abandon Me, is filled today by the love of those who stay, and who, beyond all circumstances, try to understand the spiritual significance of being with Me.

This void they leave within My Heart is filled today by those who continue onward, responding to something greater and more infinite than their own capacity to love and to serve.

This is why today I receive the balm of My faithful companions, of those who do not allow themselves to be intimidated by the tests nor fear the deserts.

This void left within Me is so large, that I have especially come to the world to seek and to avail Myself of the love of those who live Me and call Me.

From here, I strengthen My Spiritual Consciousness, because I know that good souls full of gratitude can do much more than all the daily errors they commit.

Now the cycle and the time have come in which I will count on those who have confirmed serving and following Me.

This will be the time when, with your own eyes and without anybody telling you, you will see the good souls be confirmed to My Presence; but you will also see the souls that will abandon Me.

That will be the clearest sign for knowing who to trust and who not to trust, for by their fruits, you shall know them.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
