DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Companions,

The last months are drawing closer, in which your Master will give the last instructions and guidance to humanity.

A moment in which souls will have the opportunity to drink of the spring of the last impulses, which will strengthen them for the coming events, which are already coming.

Thus, this is the moment for carrying out an inner synthesis of remembering, reviewing and memorizing the impulses and instructions that were given for the spiritual preparation of the consciousnesses that were self-summoned to carry forward the preparatory path of the glorious return of Christ.

And so, your Master will need to have His house prepared, not only the inner house, but also the external house so that, with all the tools that are necessary, the Islands of Salvation can be supported upon the surface and thus be able to receive the consciousnesses and souls that, in the end of times, will participate in the moment of the re-encounter with Christ.

All that can be done and built in the Islands of Salvation will contribute to the next coming of the Hierarchy.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
