DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF MUNICH, GERMANY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In spite of what happens or what is presented each day, submerge and hide yourself in the Ocean of My Mercy so that, under the Light of My Heart, all may be dissolved and cleared.

In the Divine Mercy of My Heart, souls can come out of ignorance and find, by means of the Source, the knowledge and wisdom to know how to proceed and act.

Through Divine Mercy, souls can erase their sins and dissolve their faults because, in the Mercy of God, Love transforms mistakes and the Light of the Source heals hearts.

Enter, as often as you need, into the infinite Ocean of God's Mercy so that the most profound sufferings may be dissolved and the joy of living in Christ may be reborn; so that all may be repaired and uplifted as an offering to the Feet of the Creator Father.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
