DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF PORTO ALEGRE, RIO GRANDE DO SUL, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

It is from the simple, poor and good souls that eternal hope emerges for My flagellated and offended Heart.

From simple hearts, I build the bases of My Spiritual Church.

From poor hearts, I elevate the purest intentions for those who are lost.

From good souls, I manifest the strength of My faith and the absolute confidence in fulfilling, above all, the Sacred Will of My Father.

This is the time in which souls will be able to make the greatest and inner offering, so as to justify the extremely serious errors of the whole human race.

Souls that follow Me will have the Grace to intercede in difficult situations and, together with the King of Peace, they will be able to help other souls who would not have the Grace of redemption.

This is the time for inner action in souls so that all of them, united and gathered together, can reflect in Our Lord the best and the purest that they hold within, because all of that will not only continue to relieve the flagellated Heart of the Redeemer, but will also bring about more Mercy, before Divine Justice reaches today's world.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
