DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

The supreme angels are the ones who accompany My Celestial Commands and they liberate the souls of the world from the prisons that are imposed on them when they live in constant sin.

This angelic mission also radiates My Powerful Rays of Mercy, those that give the opportunity of liberation for all. Now the supreme angels of Heaven are preparing to remove from the eyes of the world the bandages of illusion and of the material desire for trivial things.

But it will be necessary that the prayerful hearts on the Earth participate in these redeeming commands through the merciful prayer of the heart. In this way your feet will walk on safe paths, to find, in the next time, the portal towards Paradise.

Allow also the bandages of your eyes to be removed by My Sacred Hands. I promise that you will not suffer, but that you will see emerging the light of My Mercy as a Solar Grace on the horizon.

See in this time the real necessity of untiringly serving your fellow humans because only between you and Me will we construct the emergence of the new humanity.

May the supreme angels guide the infinite path of your souls, may your sacred instruments be prepared for the unusual battle against the wiles of hell. In the same way that once I was three days in hell, I will return to bring light to the eternal darkness.

Implore your Father for Pity and Mercy. It is time to live in My Perpetual Vigilance.

Under the Love of God, be blessed.

Thank you for remaining in My Warrior Heart!

Christ Jesus
