DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

Remember My companions that all of My Flocks are brothers and fraternal hearts that respond to the call of consecration to the Most Holy Heart of Jesus.

For this, today open your hearts in humility and joy to each one of the tests that My Heart manifests to you; tests of faith; tests of true love; tests of compassion, of service and of surrender. In each test you will find the powerful joy of learning and of growing with consciousness.

I am accompanying your inner movements and, as the Eternal Heart of God, I open to you through My message the pious door of the Kingdom of My Father, because in love you shall enter into the Source of His Compassion. The times warrant changes and divesting of the consciousness in the same way that I saw Myself divested before being nailed to the Cross.

I want that you learn to live the law of silence in order to be able to reach the sublime action of neutrality and of peace. In each action in which you are participants a part of the immature consciousness sees itself affected; for this, discover that each test of life will be a secure confirmation in your path to the Lord.

Under the Love of God, be humble and good every day.

Thank you for listening to My words with the heart!

Christ Jesus
