DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF BRASILIA, FEDERAL DISTRICT, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I can return to the world as many times as possible, because on this planet are present the smallest and most innocent children of humanity.

If these little children were not present, I could not return because, through them, God reflects His image of purity, innocence and love for humanity.

But I also return to the world for the smallest and most innocent that are exploited and trafficked so that, through My intervention, their purity and innocence may not be assaulted by adults.

Within the smallest lies the potential for renewing and manifesting the new humanity, which will not be mental or outdated, for in the smallest exists the teaching and the example for all the adults who lost their sense of innocence and their inner child.

The smallest and most innocent are present in this culminating cycle of humanity to offer their lives for love, so that the peace and innocence of the whole world may have a place in the heart of the men and women of the Earth.

Children will always have a place in the Kingdom of Heaven; they will always have a place in the Heart of the Redeemer.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
