APPARITION OF THE GLORIFIED JESUS CHRIST DURING THE SACRED WEEK, DAY 4, IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The postulant adorers, please approach the foot of the stage, at the request of Our Lord.

The Lord asks that you bring the scarves and pins of the Order to leave them at His Feet, and all those who are able, kneel as long as you can, with stillness.

The Lord said that the elder will not kneel.

Those who kneel will do so for those who cannot and for those who are not here, in My Presence.

Follow me. Remove the chairs from the stage, please.

We are preparing, says our Lord, a Eucharistic Ceremony, and before receiving the Sacred Sacrament, we will adore and contemplate that Mystery of Love present in the Eucharist.

My living Body present in the Eucharist has been present throughout time and generations, and has become even more present and more alive through all those who adore it.

I have performed Eucharistic miracles at the request of My Celestial Father, so that humanity could believe that I Am the Redeemer, Who comes to the world time and again to bring redemption to humankind and souls.

It is this living miracle in the Eucharist that is repeated, time after time, and that tries to penetrate and reflect within the heart of human beings so that human beings on Earth may represent Christ, living and resplendent in the Eucharist, upon the altars of adoration.

Today, that mystery of Love is again repeated and presented before you, because the time needs it, and humanity also needs it, knowing that without the revelation of these mysteries, which are hidden in the Holy Eucharist, humanity will not be able to prevail in the end of times nor go through the end of times, due to all that is happening today in the world in an unjust and imbalanced way.

That is why I make Myself present upon the altars of all churches, so that My Celestial Church may descend to Earth, fill the hearts, vivify the spirit of each being and enter into eternal communion with the Father, the Son and the Holy Spirit.

This is why I come to surrender to you again in the Eucharist. And upon surrendering to you, companions, I surrender again to humanity, to the planet, to the nations and the peoples, although they may not know who Christ is.

But it is in the essence of life where the Plan of God is realized. It is your deepest essences, your spirits that receive the Spirit of God through the impulses of light that the Holy Eucharist brings for souls.

Elevate your hearts in this hour. Place each one of your pleas before the Thrones of God so that someday, through faith and trust of God, you may represent the Son of the Father on Earth through the so important practice of adoration that stabilizes energies, that avoids catastrophes in the world, that draws you away and protects you from all evil, that elevates you in consciousness and in spirit, that brings you wisdom and discernment, that grants you the Peace and Love of God and the inner communion with your Guardian Angel.

The most important Gift that God gives you through adoration is the Sacrament of Reconciliation. Because God knows, companions, that the men and the women of Earth are fragile in the face of the tests and the temptation.

But the strength that you can achieve through the adoration of My Eucharistic Body is what will always allow you to lift your eyes toward the horizon, and on that horizon of love, find My pure and immaculate Presence.

I come to surrender you to My Father through this Eucharistic ceremony, because it is the time of renewal, of the trust in God and the establishment of faith, which will awaken in you the talents that I placed in your hearts, through My Word and My Gospel for all of humanity.

Today, we are at the doorway of the Last Supper. We are outside the House of God, but very close to His Consciousness, to prepare ourselves consciously and truly for the great Miracle of Love present in the Eucharist and in the Blood of Christ.

Today your souls are before the doors of the Temple of the Adoration of God, a place where the angels and the saints live in eternal communion with the Celestial Father.

Today a flame of Light is lit within your hearts, to allow for the elevation of consciousness, to draw closer to our higher dimensions, set aside the superficiality of these times and find what is real within yourselves, inside each one of you.

This is why I come here today, companions, as the Lord of the Eucharist and like the Eucharist itself, present in the spiritual form of the luminous Divinity of Christ, from where the Gifts of God expand into the world and souls receive the Grace of recovery, of rehabilitation and of redemption, as worthy children of God.

We will begin this ceremony in which new postulants will affirm in their lives the adoration of My Eucharistic Heart, and they will receive upon their chest the pin of the Spirit of God, represented in the symbol of this Order, so that the flame of the Holy Spirit always ignites in you, in the most difficult and culminating moments of your lives, so that in the moments of the greatest tests and tribulations, you will have complete trust and absolute faith that you will always find Me present in the Eucharist, in the presence of the Sacred Face of God that surrenders to His people in unconditional Love and in Spirit.

For this reason, companions, rejoice your hearts on this day of renewal so that, consecrated by the Spirit and the Eucharistic Divinity of Christ, on Thursday, the day of tomorrow, you may enter the Temple of the Adoration of God to celebrate the Holy Eucharist for the world and for humanity, an institution of the Divine Legacy of God for humanity and for the planet, preciously present in the Ark of the Holy Covenant.

The Master asks for two Menorahs.

And before the doors of the Kingdom of God, we will rise up in spirit for this sacred ceremony, in which the Holy Spirit will give you the impulse to untiringly and immediately experience the adoration of the Eucharistic Body of Your Master and Lord.

We stand up.

The Mothers who are in charge of the postulants can come here.

Lord of the Universe and Earth, Source and Principle of all origin, before the doors of Your Temple, through the Grace of the Heart of Your Son, ignite in the souls the purpose of Your Love, present, alive and eternal in the Eucharist. Amen.

Baptize the souls with Your Spirit, and with Your Light, renew all You touch. Amen.

With Your Divinity, Lord, anoint those who are in need of healing, love and forgiveness. So be it.

The time has come for humanity to consciously revere God, and that in these seconds that go by, the Divine Grace, the unfathomable Source of Mercy, in the Eucharistic and living Presence of the Son of God, will be radiated to the world and to those who most need it.

We kneel.

At the request of Our Lord, we will undertake a world adoration so that the Codes of Life of Christ, the eternal Universe of His Love, may reach the whole world, the five continents, and all the nations.

In offering, we bow down before the Celestial Father and we thank Him for His Presence in this place.

We will listen to the instrumental of the "Pater Noster" so that the angels of the Universe, through this adoration, lift up the pleas of the children of the Father to Heaven.

Each one of us, in this moment, makes their offering before the Eucharistic Heart of Jesus.

The Glorious and Divine Body of our Lord Jesus Christ.

In the name of the Father, the Son and the Holy Spirit. Amen (in Portuguese).

While the Heavens open, let us ask God for the redemption of humanity and for the forgiveness of all errors committed, through the merits achieved by the Eucharistic Heart of Jesus, from His birth to His Ascension to the Heavens.

Prayer of the Angel of Peace (in Portuguese).

Let us revere and be thankful.

And we will begin to listen to the "Pater Noster" sung as an offering.

And still in the Presence of Our Lord, let us proceed, responding to His request, to the consecration of those who applied as adorers and went through the experience in the last six months.

After this consecration, we will proceed, together with our Lord, to celebrate the consecration of the Eucharist.

The Mothers who are responsible, please.

Those brothers and sisters who finalized the six months of experience as adorers.

And together, we will thank Jesus.

Prayer: Celestial Father Who guides all... (in Portuguese).

Dear companions, now adorers of My Eucharistic Heart, may the Celestial Father bless you in the commitment to this Sacred task.

Through the adoration of the Eucharistic Heart of the Son of God, and through its practices, may the Kingdom of God be able to descend to Earth.

I bless you in the Name of the Father, the Son and the Holy Spirit. Amen.

You may go in peace.

And now we have come to the most important moment.

Those who are able to, can kneel.

Today, the Sacrifice of the Lamb is re-lived, and He expresses the Love that He has for His children: "Take and eat all of It, for this is My Body, that is surrendered to humankind for the forgiveness of sins."

We adore You, Lord, and we bless You.

"Take and all drink of It, for this is the Chalice of My Blood, which is poured out by Your Lord for the remission of errors. Do this in Remembrance of Me."

Prayer: Our Father (in Portuguese).

This is the Body and Blood of Christ. Blessed are they who are called upon to avail themselves of this Sacrament, to thus be able to enter His Celestial Church. Amen.

Today I surrender in the luminous form of the Eucharist so that souls may be able to recognize Me in this crucial time, in which, in truth, I am present and alive in the Eucharist, and each time I enter you, you commune of God and commune of My Love to live your time of redemption and conversion in unity with the Father, the Son and the Holy Spirit.

By the merits of the Passion and the Death of Your Lord, on this afternoon of Glory, you are now prepared for entering the Temple of the Adoration of God, together with your Master and Lord, tomorrow, Thursday, to celebrate with your Master and Lord the greatest testimony of Love of all time, the legacy of Your Redeemer.

I give you Peace so that you may be Peace, so that you may live Peace, so that you may share Peace with your neighbor, and so that this Peace may reach the whole world, especially where there are

many more conflicts.

Blessing the world from the horizon of God, lifting up My Hand above all of humanity, I bless you in the name of the Father, the Son and the Holy Spirit. Amen.

In the name of truth and of justice, of compassion and of Divine Grace, in the name of Jesus, you will give each other the greeting of peace.

I thank you.
