DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My companions and apostles,

Every day I place you before the Grace and opportunity to serve God in infinite ways. But your heart must be in everything, because the heart that serves, feels the need and attends to it.

Thus, I have you trained in the service of love for humanity; since, in these difficult times, the spiritual, mental and material needs are great; but there are only a few that, in My Name, surrender like empty glasses so that the Greater Priest may fill them with His Gifts.

I come to remind you of the inner vows that were once made by you before My merciful Presence.

Let these vows be the perfect conviction and the true confirmation of going through this time out of love for Your Lord and Master, because more demanding times are coming.

Times that place the servers of Christ very far from themselves so that they may be available with all their being and consciousness, and completely able to experience the great and last convocation.

This is the cycle of recognizing yourself as an apostle and missionary of Christ so that, in an immediate way, the planet may be alleviated from its condition of adversity through the reparation and healing that the service of those of Mine can awaken within all that seems lost.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
