DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE LAGUNA DE LOS CUERVOS, LAVALLEJA, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

May the Spirit of Peace invade the Earth and fill it with its divine and eternal gifts so that all essences, regardless of their beliefs and religion, may feel the coming of the Spirit of Peace and, thus, humanity may perceive that it is now time to repair and forgive itself so that love may not be lacking among creatures and among the nations of the Earth.

May the Spirit of Peace infuse renewal and healing in the essences of the planet so that, under this Spirit of Peace, souls may have the Grace of recognizing the best in each brother or sister, beyond their school or their purification.

May the Spirit of Peace attract souls to God, so that no heart may feel alone but rather safeguarded by the great stream of Divine Love.

May this Spirit of Peace help people to recognize their errors and, by changing them through service and the giving of self, may they all discover the value of what fraternal and mutual assistance means.

May the Spirit of the Peace of God bless you all, so that everyone may someday achieve the Aspirations of God and, thus, His Eternal Will may be accomplished.

May the Spirit of Peace embrace this wounded planet, and may all assist in relieving it.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
