DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

A second stage in the desert that beings experience, during another moment in their evolution, children, is to be in the desert in the arms of the Most Holy Mary.

After having lived the inner desert, after experiencing the void and the Coming Together, after experiencing the calvary of these times, a desert will come that has still not been experienced by any soul, because it is the spiritual desert that you will cross in this moment of the planet, the desert prophesied in the Apocalypse.

Your Most Holy Mother crossed and continues to cross many spiritual deserts. She is knowledgeable about the souls and their paths. She was Who took the Words and the Gifts of Christ throughout the four corners of the world, and for this reason, She deeply came to know the human condition and all the paths that lead you to God.

Thus, children, the Most Holy Mary is She Who knows each grain of sand of the spiritual desert that leads you to God.

There, where beings become confused, get lost, desperate, your Most Holy Mother takes you into Her arms and, sure of Her path, crosses the voids and the solitude and arrives to God.

In the desert, even Her adversary is confused. It pursues souls that are lost, but does not know how to find them when they are in God. For this reason, your Divine Mother travels through the desert and takes lost souls into Her arms, one by one, to lead them to their destiny.

That is why I tell you, in these times of confusion and darkness, in the Apocalypse and in the Armageddon of the planet, seek your Celestial Mother. Allow yourselves to be found by Her and yield into Her arms, because when everything may seem lost, She will know the way; when you are no longer able to walk, She will take you into Her arms, and it is under Her protection and wisdom that you will come to God.

The Most Chaste Saint Joseph
