**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN PÊRA, ALGARVE, PORTUGAL,
TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

May the Light of God penetrate Earth and all darkness be dissipated.

May the Light of God reconstruct all that was lost essentially in the souls.

May the Light of God elevate all consciousnesses and may this Light transform even the smallest.

May the Light of God transfigure the planetary life and each atom. May the living particle or cell receive the impulse of the Light of God.

May the Light of God participate in each moment of Humanity, so that the souls know that the powerful Light of God is the one that will renew and liberate all times.

May the Light of God be recognized by all the living creatures, and may this same Light brighten the wisdom in the consciousnesses.

May the Light of God reign in every space and place because the Light of God brings love and wisdom, so the souls can serve themselves from the Greater Source.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
