DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF BAD VÖSLAU, AUSTRIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Seventh Day of the Novena

For having placed within the Source of My Mercy all those who are tortured mentally and imprisoned in the spiritual life, they are giving Me inner permission to rescue and help these souls who are in most need of Mercy and redemption.

Therefore, in the Source of My Mercy these souls are liberated and receive the Grace so that in the next phase of their existence they may be loved and considered by all others.

In these times, the consequences of the human ill-treatment provoke great suffering in humanity which generates lack of love and piety in the souls.

I invite you, in this cycle, to consider through Mercy all these souls, so that the Grace of God may reach them, as this same Grace once reached their lives.

In this way, I require My companions to submerge themselves with Me in this universe of human suffering so that through the merits of their Lord all may be repaired, just as it is necessary for the most innocent souls to be repaired in the profound planes.

Through the Glory of My Heart it will be possible to help the humanity of these times, especially that part of humanity that does not place its attention on God.

I thank you for keeping My Words in the heart!

Who blesses you,

Your Master, Christ Jesus
